

## L'ÉCOLE DE CUISINE G O U R M E T S

## WELCOME TO INSTITUT LYFE

Founded in 1990 by Paul Bocuse and Gérard Pélisson, Institut Lyfe (formerly Institut Paul Bocuse) has resolutely positioned itself on the leading edge of culinary trends.

It actively participates in evolutions concerning gastronomic practices and hospitality management. Its mission: transmit its know-how"à la française" to every passionate in the world, regardless of their level.

The **Cuisine & Passion** program thus reveals the tricks of the trade of great professionals in total simplicity and with the appropriate vocabulary.

Open to all enthusiasts, this program enables you to progress in a human and material environment conducive to personal development and creativity.

In addition to this expertise, each participant benefits from the know-how and international reputation that today make *Institut Lyfe*, The School of Excellence.

# CUISINE

Intensive three-week program - Enthusiasts from all horizons

#### From the cuisine of our origins to modern cuisine

And what if traditional cuisine was the springboard to contemporary cuisine?

Beyond an initiation to the fundamentals of cooking, this training takes you on a discovery of the most recent culinary techniques and trends in gastronomy.

The **Cuisine & Passion** program offers you high-level training combining culinary demonstrations and practical applications over three weeks in small groups of 8 to 10 participants in order to guarantee the highest quality of interaction. It also offers you a unique experience shared by passionate foodies from the world over...

## **JEAN PAUL NAQUIN** Culinary Chef at Institut Lyfe

CHEF

"This exciting three week program tailored for passionate amateurs will provide you with the knowledge and fundamental technics of French gastronomy. You will then be able to create your very own recipes at home".

WEEK 1

## **TRADITIONAL CUISINE : The Origins**

A great chef must first and foremost master the great classics of our culinary heritage because they call upon the technical knowledge of the trade. The first objective is therefore to teach you the fundamental principles: kitchen organization, preparation techniques and cooking... and of course, how to make sauces!

- The fundamentals: slicing vegetables and making broths, juices and liaisons.
- Unique preparation and cooking techniques: fish, shellfish, meats and poultry.

WEEK 2

## **CONTEMPORARY CUISINE: The Modernist**

After learning the fundamentals, you will discover how to put your creativity into practice to propose original menus based on revisited recipes inspired by the current trends. You will also work on the presentation of a dish and the search for aesthetics.

- New cooking technics: low temperature, smoked, cured, sous vide
- Plating of dishes in harmony with colors, textures, temperature and volume.
- Culinary trends: Bistronomy, World cuisine, Monoproduct...

WEEK 3

## PASTRY MAKING & BREAKFAST: The "Sucré"

Desserts are the final note of a meal and often the first memory...From the alchemy of traditional or rare ingredients to how to use a whip and going all the way to the touch of happiness of french viennoiserie.

- Pastry making : the great classics of french pastry and contemporary desserts (tarts, cakes, choux pastry, macaroons...)
- Breakfast pastries : during one day, discover the basics of the famous french breakfast pastries (croissants, chocolate-buns, raisin roll...)
